Before ordering drinks or food, please speak with a team member about your individual requirements. Whilst we take care to preserve the integrity of our V, VE, GF & DF products, we must advise that these products are handled in a multi-ingredient kitchen environment. All dishes are prepared in areas where allergens are present. Therefore, there is a risk that ingredients used in your meal may have accidentally come into contact with an undeclared allergen, leading to cross-contamination. Cooking equipment (e.g., fryers, grills etc.) and food preparation areas may be shared and fried items containing different allergens may be cooked in the same frying oil. Please ask a team member if you would like further information. Some fish may contain small bones. All weights stated are approximate prior to cooking.
